17	Bob McCombe	Northop Hall

## Welcome Message

On behalf of Scottish Hockey, I'm delighted to welcome you all, whether player, official or fan, to Dundee and the Grand Masters and Great Grand Masters Home Nations Championships; to share our hospitality and enthusiasm for hockey.

The competition is, of course the main focus, but we are equally sure that the social side of the weekend will not be neglected!

I'd like to express thanks to the High School of Dundee for their generous help in staging this event; the first International Tournament to be played on their excellent new facility and to everyone involved in organising the weekend I hope that it is a great success.

Let's enjoy the hockey together, and make this a memorable occasion.

Robert Heatley MBE

Chief Executive Scottish Hockey

---
